“Connecting YOU with US”

Asalaam Alaikum
Warahmatullaahi
Wabarakaatuh.

All praises are due to Allah (SWT) who has bestowed us with the kalimah “La-ilaha-il-lal-lah Muhammadur Rasool Allah”. Our success and the success of entire humankind lies in obeying all commandments of Allah (SWT) on the pattern of Muhammad Rasool Allah (SAW).

WELCOME!!!

On behalf of the staff at our institution, we would like to extend a **warm welcome** to all of our students, both old and new, and their families. Insha Allah, your year with us will be an exciting one, full of positive learning experiences, many friendships and much more.

MISSING IN ACTION!!!

There are two more students who were on the honour roll for Semester II, 2007 who were not mentioned in our last newsletter. Our sincere apologies for missing these honour students and we would like to extend a heartfelt congratulations to them as well for their excellent achievement:

Sofi Saki (Gr. 6)

Safoorah Forde (Gr. 12)

IMPORTANT REMINDERS

We would like to remind our dear students and their parents/guardians of the following important items, in order to ensure a successful school year for all:

- **Fees be paid on time** at the beginning of each month
- **Both students and parents carefully read the school code of behaviour** (which can be found in the main office of the school as well as in the school agenda books) and **agree to abide by all school policies**
- **Parents follow the school parking rules** as outlined in the school code of behaviour

The importance of the above cannot be overemphasized. In order to ensure a safe, caring and positive learning environment it is imperative that all students and their parents/guardians are aware of and abide by all school policies. This can Insha Allah, help to prevent as many major accidents/situations from occurring in the future, or at least allow us all to deal with them in a prompt and responsible manner according to school policies and Education by-laws, should any situation arise.

We sincerely appreciate your cooperation. It is only when we work together that we can truly be successful, and help our children to become better Muslims ready to face the challenges of the world.
